The staff and students ended the term with a school camp that will surely be remembered by all. On Monday we set out with Homestead State School to Big 4 Adventure Whitsunday Resort. Upon arrival the students splashed around in the pool, had a bounce on the jumping pillows and played at the park.

On Tuesday the staff and students headed to Daydream Island. There, we took part in a fish feeding tour where we got to feed sharks, stingrays and a variety of fish. The students were split into groups and completed two learning modules ‘Who eats who’ and ‘Lifecycles’. We ended the day with a little science experiment that had us dissecting squid.

Wednesday we headed to the Proserpine River where we got to see wild estuarine crocodiles while we cruised the calms waters. Following our cruise we boarded a tractor drawn wagon train for a wetland wildlife tour. We ended our day with a delicious feed of fresh cooked damper and traditional Billy Tea.

We saved the best for last. Thursday we all boarded the Cruise Whitsunday ship for the long journey out to Hardy Reef. Our activities while there included snorkelling, a ride on the semi-submersible boat, a presentation by a reef expert in the underwater observatory and a buffet lunch.

Friday we said our goodbyes and headed home excited to tell our family and friends about our once in a lifetime experiences.
This school camp was a great success and I would like to thank the staff, students and parents who helped make this trip a safe and memorable event.

The play is billed as:

“A love story with a few kinks! When Victoria meets a shy zombie in the cemetery, she discovers there is a whole strange world of the deceased and that people don’t stay dead! The story takes the audience through the world of the ‘Delicates’ and the ‘Unfortunates’ as one young girl falls into a complicated love triangle of sorts.”

The performance, bought to Ravenswood by the Charters Players, will begin at 5.30pm on the veranda of the Court House Museum and will take place in several locations leading to the hall where it will finish at 6.30pm.
